A Message from our President

Dear Fellow Rotarians,

Thank you for this great opportunity to serve all of you as your President of the Rotary Club of Kahala Sunrise 2010-2011. Together we will be able to move our club to greater heights. I would also like to take this opportunity to thank and congratulate **President Charlie** and his team for an outstanding year 2009-2010! As Rotarians, we all have **Passions of Service** and I encourage all of you to share your passions with our club to serve our community, our nation and ultimately our planet Earth.

Each Rotarian brings with her/him tremendous talents, skills and most importantly, the desire to serve and to share in fellowship. Rotarians recognize that our world can be a better place and to accomplish our goals, we must participate and be a part of the solution.

It is my hope for this year that each of us will renew our commitment to the ideals of Rotary and to communicate this message to others.

I invite you to **"Build Communities and Bridge Continents"** and join me as we work to implement the goals of Rotary International and to measure our success by what is yet to be done.

*"When a Positive Spirit comes Alive in our Clubs
We inspire our Communities
And when our Communities are Inspired
by our Service and Presence,
we Inspire New Members...It's a Powerful Cycle."*
Elizabeth Usovicz DG6040

Dr Linda Andrade Wheeler

CEO of Successories and chief trainer is a professional and experienced seminar leader who has conducted over 1000 seminars.

Born and raised on Maui, Dr. Wheeler's work touches people's hearts and inspires them to give the best of themselves.

Linda is a highly sought-after seminar speaker, consultant and prolific writer whose impact has a lasting effect on her readers.

Through her energetic style, she breathes life into you and draws from you the very best you have to share. A dreamer, her approach to life is real--with all its gifts and pitfalls that challenge and test us to be better human beings.

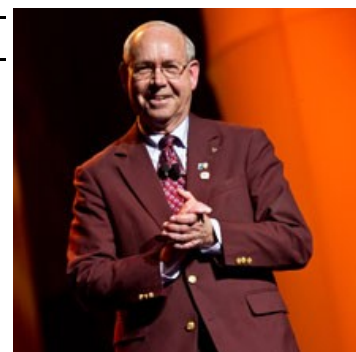

Personal Excellence: The Power of One

"The greatest contribution you can make no matter where you are – at work, at home, in the community – is to be the absolute best at who you are and what you do." Focused on helping people become more motivated by guiding them to the source of their own power, and how they can control their life, create their own destiny, and handle life's challenges. Participants will gain insight on how this power will determine their level of personal excellence, the quality of service to others, and the effectiveness of their relationships.

Rotary International

RI President Ray Klinginsmith outlines his plans for his term, which begins on July 1, 2010. Klinginsmith asked Rotarians to apply "cowboy logic" and make Rotary clubs "bigger, better, and bolder."

Taking pride in your work, talking less and saying more, doing what has to be done, and remembering that some things just aren't for sale. I believe the way for Rotary to remain viable and vibrant in the next century is to help our clubs to be bigger, better, and bolder. The clubs are the life and breath of Rotary. Therefore, it is clear to me that my job is to help the district governors to help the clubs. We can do it, and we will do it, if all of us follow the simple solution of cowboy logic." Klinginsmith also listed improvements that he and the RI Board have already authorized, including revisions to the RI Strategic Plan to make it easier to implement and evaluate, a realignment of RI committees to fit the revised plan, the recruitment of 41 Rotary coordinators, and a commitment to finding new ways to attract younger members and enable them to serve as district governors.
